

# 2024 Bible Reading Plan

Modified from Replicate.org's F260 Plan

## Features of the Plan

- Plan also available in the *YouVersion*, the Bible app (search for F-260), or online at [gordonplace.com/bible](http://gordonplace.com/bible)
- One year through the Bible (key chapters, not a complete Bible reading in a year)
- Five readings a week with 1-2 chapters a day, with  check boxes to mark completion
- Use the two extra days to catch up or use the *Focus Verses*
- Two  *Focus Verses* a week to use for meditation or memorization
- A Chronological Plan through the Bible
- Readings assigned weekly, not daily, allowing for flexibility

## Suggestions for Spiritual Growth

- **Meditate:** Read the *Focus Verses* daily to memorize the verses or ground the truth of the verses in your mind. (Psalm 119:11)
- **Journal:** Journal a **one-sentence summary statement** each day stating a central truth of your reading. Also, consider journaling the questions below.
- **Partner:** Ask others to join you in reading the plan and discuss these questions weekly:
  1. What are the key truths you learned this week? (Share a one-sentence summary or two.)
  2. What is God leading you to do because what you have read? (Your **challenge**.)
  3. What specifically will that obedience look like?
  4. Who would be encouraged to hear this?
  5. How have you obeyed last week's challenge?
  6. How can we pray for one another?
- **Share:** Look for ways to share your one-sentence summary with others each day. You might use this to encourage believers or to share your hope in Christ with anyone.
- **Dig Deeper:** Consider using additional resources like study Bibles, commentaries, and online resources like *GotQuestions.org* or *BibleGateway.com*. (This is not an endorsement of all content at those sites.) See [brookhills.org/bible](http://brookhills.org/bible) for additional plans and ideas.
